

Delock Stereo Jack Cable 3.5 mm 3 pin male to male with screw adapter 2 m

Description

This stereo cable by Delock can be used for connection of different audio devices with 3.5 mm or 6.35 mm stereo jack female interface. The included stereo jack adapters can be screwed onto the 3.5 mm stereo jack male connector and support a stable connection. Thus this cable can be also used for connections of audio devices with 6.35 mm interface.

Special Cable shielding

The outer TPU material of the cable jacket makes it much more flexible and resilient when using it.

Item no. 85786

EAN: 4043619857869

Country of origin: China

Package: Zip poly bag
